

Lucas Vadnais a first-year student in the Multimedia Production Program focused on coding and graphic design and has been in this field since grade nine. In his spare time Lucas likes to watch movies and read random websites that really leads to his focus in his Program of choice. Lucas has also loved drawing from a young age, from drawing random scribbles to drawing a human way out of proportion to eventually having at least decently proportioned bodies as he loves to draw being in graphic design his childhood hobbies really tend shine in his lifetime career.

Lucas is also a great person to leave in charge of small groups and children. He has volunteered at a nice little youth hangout center and was in girl scouts for three years. Lucas is also trans and uses he/him pronouns his family has six kids (including him) and four dogs! One who has recently passed away in early April of 2020. His dog's names are Buckle, Raxtus, Katie, Koda. Lucas also has a cat named Betty. His cat can be rude sometimes but lots of the times Betty likes to lay on his math homework and sleep. Lucas loves to listen to Indie music by bands like Cavetown, Mother Mother, Conan Gray, and Ricky Montgomery.
